NARROW ESCAPE

Dashing Young Man Dashed Into Another Man's Vehicle

Yesterday afternoon as Mr. Joseph Peed of the county was getting out of his Dexter in front of Dieterich's flower store in Market street, a young man driving a spanking team and a nobby turnout, in which were seated four charming girls, chattering nonsense and sweet nothings, and which evidently had so entranced the young Apollo holding the reins as to cause him to see nothing but their sweet selves, and while in this trance he drove the right hand horse plumb astraddle one of the wheels of the Dexter and dashed it in such a manner as to necessitate the attention of a smith.

It was lucky for all concerned that the incident was not of a more serious character. As it was, it had a squally enough appearance for a few minutes.
